Education

Msc in Information Engineering

Chinese University of Hong Kong(CUHK)	CGPA:3.6(So far)	Sep.2016-May.2017

Course Work: Big data processing /Advanced network protocols

Bsc in Communication Engineering

Xiamen University	CGPA:3.01	Sep.2012-Jun.2016

Coursework: C programing/Data structure/Signals and Systems

Exchange Student

National Chiao Tung University(NCTU)	CGPA:3.5	Feb.2015-Jun.2015

Coursework: Computer network/Information theory

Honor and Awards

Admission Scholarship of MscIE	Sep.2016
S prize in Mathematical Contest in Modeling	Jan.2015
Most Improved Student Award of School of Information Science and Engineering	Nov.2014

Strength and Skill

English	IELTS 6.5
	CET-6(College English Test-6) 521
Technical Skill	Familiar with **Python**/C
	Know about Hadoop/ Spark/Android/Java

Project or Working Experience

Distributed MAC protocols for Network of Vehicles (Project in XMU)   Dec.2015–May.2016
- Develop Tool: Python, Bash, Linux, USRP
- Build a TDMA MAC communication system

Internship (China Mobile Fujian)   Aug.2016
- Assisted the engineer in network maintenance and station construction

Website Developer (Fuzhou Shangxing Tech CO.)   Sep.2016
- Develop Tool: html, css, bootstrap
- Cooperate with UI designer to launch a website

Airline Rank System using NLP (Coursework in CUHK)   Dec.2016
- Develop Tool: WordNet, Python
- Set up a rank system for airline companies after analysis the comments on the website.

Extracurricular Activities

Third place, 2014 Xiamen University Swimming competition	Apr.2014
Successful finisher, 2014 Xiamen Marathon	Jan.2015
